 - **REMAINING BALANCE (50%):** \$ _____ USD (Due 14-30 Days Before Show).
-

SECTION 2: PERFORMANCE RIDER (DAY-OF-SHOW LOGISTICS)

2.1 TRAVEL AND LODGING ACCOMMODATIONS

- **Airfare Coverage:** Producer must purchase and fully prepay round-trip flights for the Artist (and crew, if applicable) with seat selection included prior to public event promotion.
- **Hotel Lodging:** Producer must provide a minimum 4-star hotel room that is fully prepaid for all nights of the stay, including all room taxes, resort fees, and standard high-speed internet.
- **Ground Transportation:** Producer must arrange and pay for professional private drivers, dedicated airport shuttles, or reliable rideshare credits to handle all transit needs.
- **Travel Corridor Route:** Ground transport must fully cover all trips between the arrival airport, the hotel lodging property, and the event performance venue.

2.2 VENUE SAFETY AND PERFORMANCE ENVIRONMENT

- **Security Personnel:** Producer must provide dedicated, licensed security guards stationed at the DJ booth and dressing room entry points at all times.
- **Physical Barriers:** The performance stage or DJ booth must be physically blocked off from the crowd to prevent equipment damage or crowd rushing.
- **Safe Environment:** The stage, booth structure, and electrical wiring must meet local structural codes to ensure a dry, stable workspace.
- **Right to Pause:** Artist reserves the right to stop the musical performance immediately if security boundaries fail or if personal safety is threatened.

THIS SPACE INTENTIONALLY LEFT BLANK.

2.3 HOSPITALITY AND TECHNICAL COMFORTS

- **Dressing Room Water:** Producer must provide five (5) sealed bottles of chilled water in the dressing room prior to arrival.
- **DJ Booth Water:** Producer must provide five (5) additional sealed bottles of chilled water in the DJ booth before the performance begins.
- **Washcloth:** Producer must place one (1) clean, dry washcloth or hand towel in the DJ booth before the performance.
- **Indoor Environment:** The DJ booth must feature active air conditioning if the event is held inside an indoor venue space.
- **Outdoor Environment:** The DJ booth must feature high-powered fans directed at the artist if the event is held outside.
- **VIP Guest List:** Artist shall receive a complimentary guest list allotment for up to ten (10) people with full venue access.
- **VIP Booth:** Producer must provide a dedicated VIP seating section or booth with enough capacity to comfortably seat ten (10) guests.

2.4 TECHNICAL EQUIPMENT CONFIGURATION

- **Live Verification:** The full technical layout, media player inventory, mixer specifications, and stage sound monitor requirements are hosted live on the Artist's official website for real-time compliance checking.
- **Mandatory Compliance:** Producer must cross-reference and verify inventory with the live technical page at [Insert Artist Website URL/Tech-Rider] at least fourteen (14) days prior to the show.

THIS SPACE INTENTIONALLY LEFT BLANK.

SECTION 3: RIDER ADDENDUM (LEGAL & BRANDING CLAUSES)

3.1 VISUAL HIERARCHY AND PLACEMENT

- **Dominant Position:** Artist's official logo and headshot must occupy the top-tier, dominant position on all promotional assets.
- **Asset Integrity:** Promotional assets include digital flyers, social media graphics, website banners, physical posters, and venue signage.
- **Scale Requirements:** Artist's logo and/or headshot must be physically larger and placed higher than any supporting acts or local talent.
- **Clear Legibility:** Branding must remain clear, unobstructed, and easily legible at all sizes, from mobile screens to billboards.

3.2 EXCLUSIVITY AND CLEARANCE ZONES

- **Isolation Zone:** A clear space of at least 20% of the logo's total width must surround the Artist's logo and headshot on all sides.
- **No Overlaps:** No text, venue graphics, or other design elements may overlap, cross, or obscure the Artist's imagery.
- **Sponsor Restrictions:** Competitor logos, conflicting sponsor branding, or liquor brands may not be placed adjacent to the Artist's assets.

3.3 APPROVAL DEADLINES AND WORKFLOW

- **Mandatory Review:** Producer must submit all draft artwork and promotional layouts to Artist Management for written approval.
- **Submission Timeline:** Drafts must be submitted via email at least five (5) business days prior to any public announcement or printing.
- **Management Response:** Artist Management will approve or provide revision notes within seventy-two (72) hours of receipt.

- **Launch Restriction:** No promotional material may be published, printed, or shared publicly without explicit, written management approval.

3.4 STANDARD PAYMENT STRUCTURE AND TIMELINE

- **Phase 1 (Contract Execution):** A 50% retainer deposit is due from the Producer within five (5) to seven (7) business days of signing the booking contract. The booking is not secured or confirmed until this deposit has fully cleared.
- **Phase 2 (Pre-Event Milestone):** The remaining 50% balance must be paid in full and cleared into the Artist's account between fourteen (14) and thirty (30) days prior to the scheduled performance date.
- **Phase 3 (Event Day):** The performance takes place as scheduled, provided all payment phases have been completed.
- **Late Payment Breaches:** Failure to pay the balance by the specified deadline gives the Artist the right to cancel the performance immediately.

3.5 ACCEPTED PAYMENT TYPES & TRANSACTION FEES

- **Wire Transfers:** Standard required method for all international bookings, high-fee festivals, and premium club events. All incoming and outgoing bank wire transfer transaction fees must be paid in full by the Producer, ensuring the Artist receives the net payout amount.
- **ACH / Direct Deposit:** Accepted for domestic corporate events, ongoing venue residencies, and regional club promotions.
- **Corporate / Certified Checks:** Accepted only if issued by verified corporate accounting departments and cleared ahead of schedule.

THIS SPACE INTENTIONALLY LEFT BLANK.

3.6 CANCELLATION AND EMERGENCY POLICY

- **Producer Cancellation:** If the event is officially cancelled, postponed, or altered by the Producer, the venue, or local authorities, the Artist retains 100% of the deposit to cover the lost booking date.
- **Artist Emergency (Force Majeure):** If the Artist cannot perform due to a proven medical emergency, severe illness, accident, or an unpredictable act of God (such as extreme weather or flight cancellation), the Artist is not liable for damages.
- **Emergency Resolution:** In the case of a verified Artist emergency, the Artist will return the 50% deposit to the Producer within seven (7) business days, or both parties may agree in writing to apply the deposit to a future rescheduled event date.

3.7 CONSEQUENCES FOR NON-COMPLIANCE (BRANDING)

- **Immediate Removal:** Use of unapproved artwork requires the Producer to immediately remove, delete, or recall all non-compliant materials.
- **Financial Penalty:** Failure to fix unapproved artwork within 24 hours of notification results in a 15% reduction of the total performance fee.
- **Performance Cancellation:** Continued violation or willful disregard of these branding terms grants the Artist the right to cancel the performance.
- **Deposit Retention:** In the event of cancellation under this clause, the Artist will retain 100% of the performance deposit as liquidated damages.

THIS SPACE INTENTIONALLY LEFT BLANK.

SECTION 4: TECHNICAL EQUIPMENT SPECIFICATIONS

- **Digital DJ Decks:** Producer must provide two (2) Pioneer/AlphaTheta CDJ-3000X media players OR two (2) Pioneer CDJ-3000 media players. All decks must be linked via a high-speed network switch.
- **Audio Mixer Options:** Producer must provide one (1) Pioneer DJM-V10 6-Channel Mixer OR one (1) Allen & Heath Xone:96 6+2 Channel Mixer with a built-in audio interface.
- **MIDI Controllers:** Producer must provide two (2) Allen & Heath Xone:K3 Professional MIDI Controllers placed neatly adjacent to the primary mixer.
- **Effector / Sampler Unit:** Producer must provide one (1) Pioneer RMX-1000 Effector & Sampler unit, fully wired into the mixer's send/return effects loop.
- **Booth Audio Monitors:** Producer must provide two (2) high-powered premium monitor speakers positioned at ear level on the immediate Left and Right sides of the DJ booth. Monitors must have an independent volume control knob accessible to the Artist.
- **Microphone Hardware:** Producer must provide one (1) Shure BLX24/SM58 wireless microphone system, tested and clear of wireless frequency interference.

SECTION 5: BILLING, SET TIME, AND SCHEDULE REQUIREMENTS

- **Minimum Set Duration:** Artist must be scheduled for a minimum performance time of one (1) continuous hour. The set duration cannot be cut short by the Producer due to event delays.
- **Headliner Scheduling:** For standalone club events or single-headliner shows, the Artist must be scheduled in the primary headlining performance time slot.

- **Multi-Artist Festival Lineups:** At multi-artist festivals, the Artist must be scheduled as either the Event Headliner or the immediate Second Headliner (Co-Headliner).
 - **Tier-1 Precedence Exception:** The Artist will only accept a Second Headliner position if the primary headliner is a globally recognized Tier-1 artist (e.g., Armin van Buuren, David Guetta, or an equivalent level artist/DJ).
-

SECTION 6: FINAL CLOSING AND SIGNATURES

By signing below or proceeding with event promotion, the Producer explicitly agrees to all terms, payment timelines, safety protocols, and branding requirements listed in this rider package.
